

Gavin Rennick

Director

**PRESIDENT, SOFTWARE INTEGRATED
SOLUTIONS**

Schlumberger

Gavin Rennick is President, Software Integrated Solutions (SIS), a position he assumed in 2017. SIS is responsible for providing commercial software, information management, IT infrastructure, services and solutions across the entire E&P lifecycle.

Prior to this, Gavin worked in M&A as the manager leading the integration of the Cameron company into Schlumberger following the acquisition announcement in August, 2015.

In 2014 to 2015, he served as Engineering, Manufacturing and Sustaining Vice President of Drilling Products & BHA Integration, managing the Technology, Manufacturing and Integration activities for the Drilling Group.

From 2009 to 2013 Gavin was the GeoMarket Manager for the Schlumberger Australasia (APG) business.

Prior to that, he held a variety of management positions internationally, including Segment Personnel Manager (USA) and Operations Manager (Scandinavia & US Gulf Coast). He joined Schlumberger as a Field Engineer in Saudi Arabia in 1998.

Gavin holds a Bachelors degree in electrical engineering with First class honours and a Bachelors of commerce from the University of Western Australia.
